YOUR COLLEGE

1947-1948

STUDENT HANDBOOK

Lake Forest College

Lake Forest, Illinois

by

ROBERT D. SUESS

Director of Publicity

INTRODUCTION

The purpose of YOUR COLLEGE is that it may serve you! As a student of Lake Forest College, whether old or new, man or woman, you often run into difficulties concerning the obtaining of pin-point information in relation to the facts concerning your college. This handbook should aid you and serve as an ever-ready, reference manual in such cases.

YOUR COLLEGE is the official 1947-1948 student handbook. *Take it* to acquaint yourself with all that is a part of Lake Forest, *keep it* in order to have a constant reference to learn of that about which you are unsure, and *use it* to your advantage, wherein lies also the betterment of Lake Forest College.

—R.D.S.

Alumni

Alumni Association

The Alumni Association of Lake Forest College is the college family of graduates and non-graduates who are organized to form an association under the leadership of their own elected president and an executive board which forms the policies of the association and which plans for special events and campaigns. President of the Alumni Executive Board is Erwin Heidbrink.

Alumnus

Any person who has attended Lake Forest College in the day school during the academic year, or summer sessions, is considered an alumnus. Graduates, of course, are automatically alumni; those not graduating are classified as "non-graduates" or "ex-students"; but once a Lake Forester; always a Lake Forester.

Funds

Funds are raised directly through the Alumni office under the direction of the Alumni secretary and a Finance committee of the board. Alumni are asked to contribute to the Loyalty Fund, a living endowment.

Governing

The Alumni Association is governed by an executive board consisting of twenty-four members. Twenty-one places are always kept filled, the remaining vacancies being filled when exceptional members may be added, and members representing later classes. The head of this board is a president chosen by the nominating committee of the board. Members are chosen through suggestions made by board members, by vote of the members, and then by acceptance of the person concerned. The board also has its own secretary, treasurer, and vice-president. The president of the college is an ex-officia member of the board, as is the alumni secretary.

Meeting

The annual meeting of the Alumni Association is held each year on the day of commencement. The meeting is usually scheduled at 11:00 a.m., one hour before commencement exercises take place. Board meetings are held once every month; this year they fall on the fourth Tuesday of each month.

Development of Lake Forest College

A group of far-seeing, public-spirited men, mostly Presbyterians, in 1855, formed a land and college company called "The Lake Forest Association",

and purchased 1300 acres of land along the shore of Lake Michigan twenty-eight miles north of Chicago.

Two years later the State of Illinois issued a charter for an institution of higher education which they named Lind University, this being after one of the chief promoters. That first charter was granted on February 13, 1857, and eight years later, February 16, 1865, the name was changed to Lake Forest University. In July of that year the first charter was granted to the town of Lake Forest, boundaries were surveyed, and every alternate lot was assigned as endowment to the university. At this time, also, sixty-two acres were set aside as a campus.

Created from the Lind University charter were Lake Forest Academy for boys, 1848; Ferry Hall for girls, 1865, and named in honor of the Reverend William M. Ferry, Grand Haven, Michigan, who had left a legacy to found such a school; and Lake Forest College, 1861.

The college was closed within the first year due to the Civil War's urgent call for volunteers. Such wartime confusion and financial uncertainty caused postponement of re-opening till 1876, by which time the town had grown in population and beauty, the latter characteris-

tic which is extremely evident today. All in all, the founders' courageousness led to an opening again of Lake Forest College on September 7, 1876.

Beginning facilities included a large hotel located on Mayflower road, the first College building, but which burned in the midst of the first class's (eight men and four women) career. Before the first class was graduated in 1880, College Hall was constructed, built, incidentally, from bricks made of clay taken from the land which is now the girls' hockey field.

In the early days the trustees had visions of establishing a university. Because the charter permitted many types of expansion, they organized a medical school in Chicago in 1859, but after five years this was discontinued. In place of this, Lake Forest students were permitted to pursue specialized professional studies in nearby institutions, but still remain technically enrolled at Lake Forest. For example, alliances included medical studies at Rush Medical College after 1887; dentistry at Northwestern after 1887, or Chicago College of Dental Surgery after 1889; and law, after 1888, at the Chicago College of Law which was founded as part of the University. All these conditions

were severed, however, after a few years, and, in 1902, the trustees directed their attention to the Lake Forest departments—the College, Academy ,and Ferry Hall.

In June, 1925, in an effort to concentrate upon the college solely, Ferry Hall and the Academy were sold. They are now operated by their own boards of trustees. Since that time the trustees and faculty of Lake Forest College (corporate name—Lake Forest University) have maintained a college of liberal arts and sciences.

The College acquired the Academy campus April 11, 1947, when the Academy purchased Mellody Farm.

Evening Session

Started in 1941, the Lake Forest College evening session started as the result of the demand along the north shore for the evening adult classes at the college level, designed to directly facilitate the war effort. Now that the war is over, however, there has been a further increase in enrollment rather than decrease. The standard college courses offered in the evening session are taught by members of the College staff, and require the same quantity and quality of work as is demanded in day classes. Day

students may attend evening courses also, if they so desire.

Summer Session

Inaugurated in the summer of 1942 to accelerate the education program during the war years, the summer session received such an active response that it remained for the post-war years. Many students have used the vacation period session to regain lost time, and to shorten the length of time toward graduation. The GI Bill and Public Law 16 fully cover a nine hour program.

The summer program is for a period of nine weeks. Students who carry a normal schedule are able to earn nine semester hours of credit. Subject to administrative approval, a maximum of 12 semester hours may be taken. The courses offered during the summer are integrated with those of the regular year and are equivalent to them in every respect. High school graduates may enter as freshmen in June. Demand determines the courses that are offered.

The wooded campus becomes especially scenic during the summer months, bringing to the students a vacation atmosphere while attending summer classes.

II

FACILITIES AND SERVICES

II

FACILITIES AND SERVICES

Beach

The beautiful sand beach along Lake Michigan is located approximately three or four blocks east of the campus near Ferry Hall. Permits for automobiles to be driven on the beach must be secured from the Police department. The water is clear, clean, and ideal for bathing.

Bookstore

The College bookstore is owned and operated by the College, and is located on the ground floor of the Institute. All books and supplies are available at reasonable prices, and a book exchange is carried on also.

Coffee Shop

Lake Forest College operates a coffee shop on the south half of the ground floor of College Hall. Refreshments, lunches, juke box, etc. make this the center of student activity. It is supervised by the dietician, Anna M. W. Smith.

Faculty Advisors

Each student is assigned a faculty adviser at the time of his first registration. The function of the advisor is to help

the student with any problems, scholastic or otherwise, and to perform all guidance functions to further the student's individual progress and development.

Golf Course

Located on the south campus, a golf course is open for student participation. In town, the Deerpath Golf club is readily accessible to students.

Health Service

Located in Academia, #3 College Campus, the Health office, under the direction of Mrs. Margaret F. Hartzo, R. N., offers greater service than ever before. Dr. Paul H. Burgert is the official College physician and the consulting psychiatrist is Dr. Irene M. Josselyn. Dr. Burgert's hours in Academia are Monday through Friday at 1 p.m. Students may consult him at that time without charge. At other hours in his uptown office, at the hospital, or on a private call, his regular private practice fees prevail.

Nurse Hartzo's hours are 9:45-11:15 a.m. on Monday through Saturday, and 1:00-2:00 p.m. on Monday through Friday.

Health services include hospitalization of 7 days maximum each semester in a room of $4.00 minimum cost per day.

Housing

Men are housed in the four fraternity houses and three men's dormitories, namely, Harlan Annex, Blackstone Annex, and College Hall. These are all located on the South campus. Applications are made to Mr. Robert Amaden, director of admissions. See "regulations" for further information.

Women are housed in five women's dormitories. These are Lois Durand Hall, which contains the four sorority suites ,also, Bradley Lodge, and Alice Burhans Lodge on the North campus, plus Patterson Lodge and North Hall on the South campus. Applications are made to Mr. Robert Amaden, director of admissions. See "regulations" for further information.

Married couples—The GI housing project located at Farwell Field is the College's main facility for housing veterans and wives. All questions should be directed to Mr. E. C. Halverson, business manager.

In addition to the Farwell project, rooms can also be rented in the various faculty homes in Faculty circle. Information concerning these can be obtained from either the Admissions office or Publicity office.

Identification Cards

These are better known as "activity cards" which are issued upon registering in the business office. They are used for admission to athletic events, Garrick productions, and general identification which includes special reduction in admission rates at the local Deerpath Theater.

Johns-Manville Scholarship Program

A program carried on exclusively at Lake Forest College under the sponsorship of the Johns-Manville corporation. The JM plan of providing higher education to the outstanding youth of the country first began in 1943 at Lake Forest. JM students work two days per week at offices in either Waukegan or Chicago, and attend classes on the other days of the week. Originally intended for men, the war caused a group of women to be the first recipients of the course, but, the 1946-47 year found male additions, some veterans, as the original women's group prepared to graduate, then work in selective positions with JM.

Loans

Loans are available to students who have been in attendance at Lake Forest College for at least one semester through the Pearsons Loan fund, Henry Strong

Educational fund, and the Chi Omega Loan fund. Applications may be made to the business manager.

Lost and Found

Such articles are turned in to the bookstore.

Mail

Mail is delivered to men's dormitories by a campus mailman. Women's dormitories are served through arrangements made by the dormitory proctor. All mail comes in at the College bookstore, and parcel post packages must be picked up there. Postage due mail is picked up in the Admissions office.

Part-Time Employment

Students wishing part-time employment should register with the Admissions secretary, Institute.

Placement Bureau

The department of education operates placement service for prospective teachers. In addition to teacher placement, Mr. Keller, associate professor of economics, and President Johnson, proffer special placement aid.

Rhodes Scholarships

The well-known Rhodes Scholarships to the University of Oxford, which were

last offered in 1939, then suspended for the duration of the war, are now renewed, and the first since the suspension will have been offered in 1947. All information concerning Rhodes Scholarships is available from Dr. Curtis.

Scholarships

Lake Forest College offers the following financial assistance to deserving students:

Honor Scholarships are available to entering freshmen who rank in the upper tenth of their high school classes. These scholarships are awarded for one year only on the basis of character, promise, and general worthiness, as well as scholarship. A holder of such a scholarship may make application for its renewal each year if a B average is maintained. Application for renewal must be made to the committee on scholarships before May 15 of each year.

Grants-in-Aid to those who exhibit promise and financial need are available. The director of admissions supplies such application blanks.

Tennis Courts

Recently resurfaced tennis courts located next to the gymnasium are open for student enjoyment.

Veterans Adviser

The office of the veterans' adviser is located in the Admissions office, Institute. Every possible assistance is given to the veterans in any and all problems relating themselves to veterans' education under either Public Law 16 for the disabled veteran, or Public Law 346, more commonly known as the GI Bill of Rights. Lake Forest College is fully approved by the Veterans Administration.

III

ACTIVITIES AND ORGANIZATIONS

III

ACTIVITIES AND ORGANIZATIONS

Activities

ATHLETICS

(Arranged Chronologically)

Conference History

Lake Forest College's athletic competition began in 1888 when its first football games were played against Harvard School, Northwestern, and Racine College.

Of the colleges who in latter years have given us competition, Beloit was the first to play us in football, that being in 1891 when Lake Forest won 10-4. In those days baseball, basketball, and track were active varsity sports too, but 1934 saw track dropped. For many years Lake Forest belonged to the Little Nineteen conference, then in May of 1937 it joined nine other Illinois colleges in forming the Illinois College conference, all liberal arts colleges and members of the North Central Association of Secondary Schools and Colleges.

World War II marked the end of the Illinois College conference due to the

lack of sufficient manpower to carry on athletic competition. Lake Forest is now a member of the College Conference of Illinois. Other members include Augustana, Carthage, Elmhurst, Illinois Wesleyan, Illinois College, North Central, Millikin, and Wheaton, a nine school conference.

The present era finds tennis and golf regarded as major sports.

Coaches

Ralph R. Jones

Head Coach and Athletic Director Ralph R. Jones has spent over a decade at Lake Forest College, having assumed his duties in 1934. His athletic background as a participant was extremely active and outstanding in all major and minor sports from bicycle racing to football. As for coaching, his superb coaching record extending over 40 years includes national collegiate basketball championships at Wabash College, Big Ten championships in basketball at Purdue and Illinois, National Academy Basketball Championship at Lake Forest Academy, and World's Professional Football Championship with the Chicago Bears.

Volumes could be written about Ralph Jones, but let these few words suffice

instead: His varied experiences in athletics, his devotedness to sports, his knowledge and philosophy of physical education, plus his warm, sincere insight into the hearts of men, all make Ralph Jones the beloved molder of men and character he is today.

Kenneth McAllister

Kenneth McAllister is a Lake Forest graduate of 1939. He was a major letter winner in every sport while here, and after graduation took over the assistant duties till 1941. In that year he entered the army air corps in which branch he served as an instructor until his discharge in 1946. Mac is varsity basketball coach, and assistant in baseball and football.

Governing

Athletic Board of Control

This organization is composed of one representative from each fraternity and one from the non-fraternity group, the chairman of the Faculty Athletic committee and the athletic director. The board supervises the election of captains, athletic awards and honors, and affords opportunity for student discussion of the athletic program of the College.

Varsity Sports

Eligibility

Regulations are subject to rules of scholarship probation (see Scholarship Rules), and students must have passed at least 12 hours of academic work the last semester in attendance at Lake Forest College, or any other accredited college or university. This applies to all except freshmen, for whom the rule goes into effect after four weeks. Members of a varsity or freshman squad shall not compete on any other teams in the same sport except during college vacations. Violation of this rule will subject the player to such penalties as the faculty committee on athletics shall deem proper.

Monogram Awards

Award of varsity and minor monograms, sweaters, and jackets are made on the basis of carefully kept records in the athletic office and approved by the athletic board of control.

Baseball—Each player, in order to be eligible for award, must play at least one-third of all the innings played.

Basketball—Each player, in order to be eligible for award, must play at least one-third of all the games.

Football—Same as basketball.

Golf—Each player must participate in one-third of all matches for a minor award. If playing first or second positions and 40% of matches are won, or if in third or fourth positions and 60% of matches are won, a major varsity letter is awarded. If a player or the team reaches the state finals, a major award is issued.

Tennis—Same as golf.

Election of Captains

Honorary captains in each sport are elected by their fellow lettermen in the respective sport at the end of each varsity season. Individual game captains may be appointed by the coach of the sport.

Captain's Award

Each honorary captain is awarded a white sweater with the varsity letter to be distinguished from the usual red sweaters or jackets worn by other lettermen.

Special Awards

Clayton Mark Trophy — This is the most valuable player award in football. The late Clayton Mark donated a trophy to be awarded at the end of each football season to the man selected as the most valuable player, his name to be engraved on the trophy, and the trophy to be passed on to each succeeding winneer. The most valuable player is selected by the coach, the vote of the lettermen, and the vote of the Faculty Board of Control.

Emery Free Throw Trophy—William "Bill" Emery, '36, who was a former basketball star, donated this trophy in order to honor the varsity basketball player scoring the highest percentage of free throws throughout a season.

Managers and Assistants—At present, the only rule governing managers and assistants is that of eligibility (same as athletics). The positions are gained through application to the Athletic office, and managers' letters are awarded.

Intramural Sports

Athletics for all, whether you are of varsity calibre or not, is the motto at Lake Forest. Accordingly, the Athletic office administers under the jurisdiction of the intramural board a program exceedingly broad in scope.

Eligibility

Any student not passing in 12 semester hours as shown by the monthly delinquent reports shall be ineligible for

intramural competition and for practice in preparation for such competition.

Organized athletic groups, such as fraternity teams, must obtain permission from the faculty committee on athletics before scheduling games with an outside team.

Intramural Board

Composed of representatives from each fraternity and the Independent men, the board has general supervision of the schedule, events, and award of points.

Sweep Stakes Trophy

This is a traveling trophy embracing all events of the intramural program. The organization with the highest number of points at the end of the season gains possession of the trophy till the next winner is declared.

Class Events

Seniors

Class events for seniors are in order of their occurrence.

Senior Tree Planting

This ceremony usually occurs in May whenever arranged by the senior class. The class, through its president, presents a tree to the college. After it is received

by the president of the college, each senior adds a shovel of dirt around the roots of the new tree.

Senior Chapel

This is an annual program which is presided over by the class president in the week previous to Baccalaureate Sunday. The program is left to the discretion of the class, but has included class prophecies, a speaker, and the singing of the alma mater. The tree planting may follow if the class so desires, and on this day caps and gowns are worn.

Baccalaureate Service

The Sunday before commencement is the time of the annual Baccalaureate service which is held at the First Presbyterian church of Lake Forest. Caps and gowns are worn by seniors. This year Baccalaureate Sunday is on May 30.

Senior Dinner

This annual dinner is usually held the evening before commencement, for members of the graduating class. It has been sponsored by the president of the college. Often one of the main features at the dinner is a "prediction into the future" by each graduate, which is recorded by the class secretary. At the

first reunion, comparisons of predictions and reality may take place.

Senior Dance

An annual occurrence which takes place the evening before commencement, following the senior dinner. The place is left to the discretion of the class.

Senior Breakfast

A breakfast which is not mandatory, but which, when observed, is held on the morning of commencement.

Commencement Exercises

This event signifying successful completion of the course leading to the bachelor of arts degree as outlined by the trustees, faculty, and administrative officers of Lake Forest College, has been held outdoors or in the First Presbyterian Church . Commencement is usually observed during the first week in June. The 1948 commencement will be held Saturday, June 5.

Juniors

Junior Bench Ceremony

A ceremony annually observed, usually in May, when the class presents a Junior bench in front of College Hall to

the sophomores, which symbolizes their elevation to the rank of upper classmen.

Junior Prom

This is probably the most significant social event of the year. It is usually the first formal dance of the year, but not necessarily so. It is sponsored by the junior class under the leadership of a prom king who is elected through the Student council. It is generally an off-campus affair.

Freshmen

Freshman Dance

An annual dance, sponsored by the Student council, but under the direction of the freshmen class. It usually occurs during the second semester.

Dances

Informal Dances

Throughout the year various organizations will sponsor house party dances, fraternity and sorority parties, pledge dances, etc.

Junior Prom

See CLASS EVENTS.

Senior Dance

See CLASS EVENTS.

White Christmas Formal

A dance newly added to the social calendar in latter years and sponsored by the Student council. It has been held a week or so previous to the dismissal of classes for the Christmas vacation.

WSGA Dance

Formerly called the Lois Hall formal, the WSGA now sponsors the annual occasion. All residences share in its presentation. It is held in the second semester.

Dinners

Football Dinner

Awards to the football teams are made at a special dinner with appropriate speeches and songs. Similar dinners are held for other events.

Mid-Winter Dinner

For years prior to the war the college staged an annual, mid-winter banquet at one of the leading Chicago hotels. Students, faculty, alumni, and friends were welcome. During the war year, 1944, a dinner was held in mid-winter which honored Dr. Ernest A. Johnson, newly elected president of Lake Forest College. Naturally this was on a small scale due

to the lack of alumni able to attend. Last year, the largest and most successful mid-winter dinner in the history of the College was held at the Edgewater Beach hotel in April. It was appropriately called a Pre-century dinner, for Lake Forest will celebrate its centennial in 1957.

This year the dinner will again be held, although as yet the date and place has not been decided. All arrangements are handled by the Alumni Executive board and the Alumni secretary. The Alumni board and the College plan a definite theme for each one held.

Thanksgiving and Christmas

At these times special dinners are served at the Commons, usually the evening before school closes for the holiday observance. Day students or commuters may also participate if advance arrangements are made with the "King of the Commons".

WAA and WSGA Banquet

This annual banquet held in the late spring, concludes the year's activities for both the WAA and WSGA.

At this dinner the newly elected officers for WSGA are presented and athletic awards are made to those WAA

members who have earned them for participation throughout the year.

Publications

Bulletin

The Bulletin is published seven times per year. Six of these mailings are the regular Alumni Bulletin, the seventh is the catalog. The Alumni office employs students who wish to work part-time. Personal application must be made to the Alumni secretary.

Catalogue Issue of the Bulletin

A special publication of Lake Forest College to announce the courses of study open for the ensuing academic year. Students do not participate in this publication.

Forester

This is Lake Forest College's annual which is edited and managed by student boards under the supervision of a faculty committee on publications. The staff is selected through application to the editor who is appointed at the end of the academic year previous to the year of publication. Final selection is made by the faculty committee who consider the recommendations of the out-

going editors, journalistic ability, and performance.

Editor—Margaret Flood

News Releases

The department of publicity employs students who wish to work part-time in its office. News releases concerning all phases of school activity and achievement are sent to newspapers throughout the country. Personal application must be made to Bob Suess, director of publicity.

Stentor

The college's weekly newspaper has entered its 62nd year of publication. The editor and business manager are chosen by the board of publications. The editor then appoints the various department heads from the eligible staff members. Any student is eligible to write for the staff.

Editor — Suzanne Kastler; Business Manager — Bob McGonagil

Summer Stentor

A weekly mimeographed edition. It is published under the advisorship of the department of publicity.

Tusitala

A campus literary magazine which publishes the work of students who submit original and creative prose and poetry. It fosters literary talent among the students.

Special Days

College Day

An annual occurrence, oft called "new students' day", for the purpose of introducing Lake Forest College to interested high school students. The chairman, appointed by the Student council, selects a committee and endeavors to present an accurate insight of college life at Lake Forest to the visitors. Usually held in May, the day's main events feature conducted tours, a varsity baseball game, entertainment, and a College day dance.

Homecoming

An annual occurrence in honor of the alumni. A student chairman is appointed by the Student council who then selects his committee, and collaborates with the Alumni office and alumni representatives for Homecoming toward making the day a success. Such a day includes a parade of floats entered in competition for awards by the various or-

ganizations, a football game at Farwell Field, open houses, and the Homecoming dance. This year Homecoming will be Saturday, October 25.

Parent's Day

An annual occurrence in honor of the dads and mothers of students. A student chairman is appointed by the Student council who then selects his committee and proceeds in the direction of planning a program especially significant. Parents' day includes open houses, a football game, a faculty reception, and special entertainment. This year it will be Saturday, November 15.

Honor Day

A program held in Reid Memorial Chapel toward the close of the academic year when campus leaders are recognized for their accomplishments in various activities. Most notable awards are those of "tapping" for admittance to Iron Key and selections for Kappa Alpha.

ORGANIZATIONS, SOCIETIES, AND CLUBS

Clubs and Organizations (Students)

Classes

A class is officially organized in the fall of its senior year, when officers are elected by a majority vote. The slate is prepared by nominating supervised by the Student council. A file concerning the senior class is kept in the office of the college president.

Debate and Oratory

Lake Forest's debate teams have long been successful in their schedule which has included participation in tournaments in Illinois, Indiana, and Wisconsin, and debates with numerous colleges and universities. Intercollegiate debates are held on timely subjects of particular interest. Lake Forest participates annually in the State Peace contest and in the State Oratorical contest for men and women. This activity is under the supervision of the department of speech, and all students are eligible to try out for the squads.

Economics Club

A local honorary organization formed

in 1933 and comprised of economics, sociology, and history students. Strong interests in the phases of money and banking, labor and capital, value and distribution, and various economic systems have always been prime requisites for members. Its activities include discussion of economic problems under the leadership of a member or a specialist and visits to industrial plants.

French Club

A departmental organization which endeavors to stimulate interest in the French language, literature, and people, and to enable students to gain information supplementary to their course work. Those eligible for membership are students currently earning a B in French 203-204 or those enrolled in a more advanced course.

Garrick Players

The Garrick club enters its 46th successful season this year under the direction of Mr. Russell Tomlinson. It presented four plays in the 1946-47 season. The club itself is an organization in drama and speech made up of students who have shown outstanding interest and skill in the arts of acting, speech, singing, and play production. The plays

A junior Pan-Hellenic organization was formed in 1946 to foster the idea of inter-sorority cooperation among the pledge members.

Red Cross

This committee was formed as a result of World War II. It sponsors our annual Red Cross Fund campaign, volunteer aid at the village center, and life saving and instruction classes for women students held at the swimming pool at Ferry Hall. The chapter worked hand in hand with the Lake Forest community chapter in conducting the fund raising drive and making bandages.

Student Center Committee

An organization designed to promote activities at the Student center, College Hall. The organization sponsors dances, inter-fraternity and sorority quizzes, and many other campus social events.

President—Lila Spannenberg

Student Christian Association

The SCA is organized to promote Christianity on the campus. It is nationally affiliated with the YWCA and the YMCA. The association does much

community service, goes on field trips, has social meetings, sponsors outstanding Christian leaders, and coordinates Student Christian activities. Weekly Sunday meetings are devoted to discussions held in the First Presbyterian Church. Meetings during the week are held on campus.

Student Council

The Student council serves as the governing board for the Student Association of Lake Forest College ,which includes all enrolled students. The Lake Forest Student association is a member of the National Students' Federation of America, and is a charter member of the Federated Intercollegiate Council. The council consists of one representative elected by each recognized social group (fraternity, sorority, independent). Each representative must have had at least forty-five hours of academic work by the end of the semester preceeding his election.

President—Pete Bussone; Vice President, Ralph Osborne; Secretary-Treasurer, Suzanne Kastler

Student Religious Activities Council

Formerly known as the Chapel committee, this committee's purpose is to allow student participation in selecting

chapel speakers and arranging chapel programs, to increase and encourage religious activities, to plan special religious services such as "Religious Emphasis Week" and to represent student criticisms and opinion.

Women's Athletic Association

Women students may become members of WAA by earning 125 points in athletics through class or sorority participation. Each member must continue to earn 100 points per year or be dropped. Numerals are given for the attainment of 250 points, and a jacket for 400 points. It is sponsored by the Department of Physical Education for Women and is affiliated with the national organization, the Athletic Federation of College Women. Awards are given at the annual WAA and WSGA Banquet which is highlighted by the awarding of either jackets or cups to the two girls with the largest number of points, and a trophy to the outstanding junior girl.

President—Emalou Bishop; Vice President, Betty Rollman; Secretary, Lois Scheevolgt; Treasurer, Ruth Wilder

Women's Self-Government Association

Resident women make up the membership of WSGA. Advised by the dean

of women, their objective is "to foster maturity and a cooperative spirit among the resident women—through self government—to be achieved by establishing and supervising rules of conduct, by promoting an effective social program, and by working with the college administration." The president and vice president are elected by all resident women in the spring, nominations having been made by the Executive Council of WSGA. A secretary and treasurer are elected by Executive Council of WSGA in the fall.

President—Lois Lenters

World Student Service Fund

This is an all student participating drive which annually attempts to raise money by various campus activities featuring an auction wherein students bid for the services of faculty members. Lake Forest has always done more than its share, and has been commended highly by the national headquarters.

Faculty Clubs

Campus Circle

An organiaztion made up of faculty wives, women faculty members, former

women members of the faculty, and wives of former faculty members. Their organization is highly informal in character, it meets once or twice a month, and accomplishes well its purpose of having friendly get-togethers regularly. A program is always presented and refreshments served. An annual tea is observed wherein friends of members are feted. In addition to its pleasurable meetings, the Campus circle finances numerous charitable events.

President—Mrs. S. P. Williams; Vice President, Mrs. Addison Hibbard; Secretary, Mrs. Arthur Voss

Lake Forest College Club

Here is a club formed of the members of the faculty. With somewhat the same purposes as the Campus circle insofar as friendly get-togethers are concerned, it also leans to the more intellectual side, for its members, and guest speakers frequently lead discussions on current topics of great significances to the educated world.

Chairman — Dr. Madeline Ashton; Vice Chairman, Dr. Edwin C. Reichert

Honor Societies

Alpha Lambda Delta

A national honor society for freshman women, the Lake Forest chapter was

established in 1934. The requirement of membership for freshman women is a 2.3 scholastic average for the first semester, or for the freshman year. Its purpose is to promote a high standard of learning and to encourage scholastic achievement.

Beta Beta Beta

This Lake Forest chapter of the national undergraduate honor fraternity for students of biology was installed in 1935. It emphasizes scholarship, dissemination of scientific knowledge and biological research. Biology majors with acceptable grades are eligible for membership in the group. Throughout the year, Tri-Beta sponsors lectures and movies to which all interested are invited.

Iron Key

The Iron Key is a society of men who have made outstanding records in more than one field during their college days. Men are added to the organization at an impressive "tapping" ceremony on Honor day during which a black-robed member of the society roams through the assembled student body seeking those who are to become members of the society. When found, those chosen

are either tapped on the shoulder or pointed to by the Grand Master.

Originally, membership was limited to juniors and seniors. Recent amendments have permitted sophomores to be "tapped". The Iron Key was founded in October 1919.

Kappa Alpha

A local honor society for senior women founded in October, 1919. Membership is granted at the end of the junior year on the basis of scholarship, leadership, activities, and character. It seeks to stimulate the interest of college women in constructive educational work and to uphold ideals of college loyalty and personal culture.

Phi Eta Sigma

The national honor society for freshmen men, which had the Lake Forest chapter established in 1929. Its purpose is to foster scholarship. The requirement for membership in this fraternity is a 2.5 scholastic average for the first semester or for the freshman year. Each initiate is awarded a key.

Phi Sigma Iota

Instructors and superior advanced students in Romance languages are eligible for membership in this Mu chapter of the national Romance Language fraternity. Its aim is to promote interest in research and in the study of the languages.

Pi Alpha Chi

This is a local music honor fraternity founded at Lake Forest College in 1935 to stimulate interest in music, sponsor musical activity, and foster appreciation of music. Those students who show musical ability are selected as members.

Sigma Eta

This society was founded in the spring of 1929 to promote and encourage scholarship. Membership is open to the two highest ranking juniors whose scholarship for their college course meets a certain average. Seniors with a required grade are also eligible, although the total membership in any graduating class may not exceed ten percent. A key bearing the College seal and the letters, Sigma Eta, is the insignia.

Sigma Pi Sigma

Membership to this national honor society in physics, which was installed at Lake Forest in 1928, is limited to quali-

fied advanced students in physics who submit reports on a research problem. Several lectures on scientific subjects are sponsored during the year.

Musical Organizations

Under the direction of Mr. Arnold Thomas the music department has been completely revitalized. The 1946-47 year found Lake Forest College with its first band in over a decade.

Band

The band enters its second post-war year of organization. Any student is eligible to try out for a position. It plays at many athletic contests, presents an annual spring concert, and performs for numerous other events.

Vocal Groups

Various vocal groups are organized on the basis of demand and singers available. In the past, outstanding trios, quartettes, and sextettes, have functioned.

Musical groups have included Men's quartette, Mixed chorus, Orchestra, Women's Glee club, and Women's sextette. These groups perform at many

social functions throughout the year, perform community services, and promote music at Lake Forest College in general.

Social Organizations

Fraternities

There are four fraternities and one independent organization on campus. Fraternities use the system of preferential bidding as administered by the Interfraternity council.

Alpha Sigma Kappa

A local fraternity founded in 1926 with colors of scarlet and gold. The Alpha Sig house is located in the north half of Blackstone Hall.

President—Robert O'May; Vice President, Frank Strong; Secretary, Ed Madden; Treasurer, Wilbur Schram

Digamma Alpha Upsilon

A local fraternity founded in 1906. Its colors are black and old gold. The Digam house is located in the east half of Harlan hall. It observed its 40th anniversary last year.

President—Peter Bussone; Secretary, Vic Szatkowski; Treasurer, Jim King

Kappa Sigma, Alpha Chi Chapter

A national fraternity founded at University of Virginia in 1869, chartered at Lake Forest in 1896. Its colors are scarlet, white, and green. The Kappa Sig house is located in the west half of Harlan Hall.

President—Ken Warren; Vice President, John Kirkland; Secretary, Leonard Tyrrell; Treasurer, William Sandon

Phi Pi Epsilon

Local fraternity founded in 1895; colors, purple and gold. The Phipe house is in the south half of Blackstone Hall.

President—Tom Linnell; Vice President, Bill Carlin; Secretary, Walter Marbach; Treasurer, Wallace Johnson

Independent Men's Club

An organization of the unaffiliated men on campus. A club-room is located on the first floor of College Hall. Independents are afforded equal representation in intramural sports and on the Student council along with fraternity men.

President—James Crassweller; Secretary-Treasurer, Othello Ellis

Sororities

There are four sororities and one independent organization on campus. Sororities use the system of preferential

bidding as recommended by the National Pan-Hellenic Council. All sororities are in Lois Durand Hall.

Alpha Delta Pi

A national sorority founded in 1851 at Wesleyan Female College. Chartered at Lake Forest College in 1936.

President—Betty Hennessy

Alpha Xi Delta

A national sorority founded in 1893 at Lombard College. Chartered at Lake Forest College in 1932.

President—Marion Glenny

Chi Omega

A national sorority which was founded in 1895 at University of Arkansas, chartered at Lake Forest College in 1938.

President—Carol Wilson

Gamma Phi Beta

A national sorority founded in 1874 at Syracuse University. Chartered at Lake Forest College in 1934.

President—Mary Em Yarnall

Independent Women's Club

An organization of the unaffiliated women on campus. Their quarters are located in Alice Burhans Lodge.

President—Avis Kleinman

IV

TRADITIONS AND CUSTOMS

IV

TRADITIONS AND CUSTOMS

Traditions and Customs

Lake Forest still observes many traditions and customs which have grown through the historic years. Some of the more outstanding include the following:

Bell Ringing

After each varsity football victory, College Hall bell is pealed in a victory salute by freshmen men.

Bonfires

Tradition rules that freshmen supply the material for the annual Homecoming bonfire which is held the Friday evening before the Saturday Homecoming. This may be altered according to the ruling or discretion of the Homecoming chairman and committee.

Colors

Lake Forest colors are cardinal and black.

Community Citizenship

In order to preserve the cordial relationship between the city and the college, students of Lake Forest College

are expected to maintain the highest degree of friendliness, good will, courtesy, and moral behavior in all relations with business men and residents of the city of Lake Forest.

Freshman Issue of Stentor

At the direction of the "Stentor" editor, one issue per year is written and edited by members of the freshman class.

Freshman Mixer

A name traditionally given to the presently named Freshman Dance which is now held as the first official dance of the year. It is open to all students.

Hazing

This custom, if it be such, is controlled through the fraternities and sororities. The year 1946-47, of course, found the trend definitely away from any organized feeling or class demonstration against freshmen, as a result of the return of many veterans.

The war has caused such a complete change of feeling among men students, that there is no place for hazing at Lake Forest.

Junior Bench

The benches at the southwest corner of College Hall have been reserved exclusively for the use of upper classmen.

New Student Conference

Formerly regarded as Freshman Day, the college now holds its conference for the orientation of new students on the day before official registration begins.

See "College Calendar".

Pledge Night

Although changed somewhat from the past procedure, this night occurs a few weeks after the opening of college. Fraternities and sororities celebrate the pledging of future members with the exchange of gifts, songs ,and ceremony.

Customs in General

Customs come and go. Years always find new additions to student activity, and a gradual dissolving of the less important. Student reaction rules out much that formerly may have ranked highly in the minds of all. The advent of veterans' education and, thus, a more mature outlook toward life is bound to affect present traditions. The important thing is that you preserve and strengthen the worthwhile ones in order to make your alma mater a memory worth recalling.

Songs

The Alma Mater

Lake Forest, dear, our Alma Mater,
Thy praise we sing with heart and voice.
Thy Red and Black floats proudly o'er us,
While in thy glory we rejoice.
As stand thy brave old trees about thee,
Strong as the lake's fierce waves in storm,
So stand thy children to defend thee,
While love in every heart beats warm.

Beneath thy forest shades reclining,
We gather knowledge at thy feet;
The happy days pass all too quickly,
With friendship bright and pleasure sweet.
And, though in after years, life's striving,
Shall change our joys to care and pain,
The love of friends and Alma Mater,
Our richest treasures shall remain.

Lake Forest, when farewell we bid thee,
And from thy college halls depart,
As when by land or sea divided,
The love of country fills the heart;
When courage fails, and hopes are dying,
Our thoughts shall ever turn to thee;
Our watchword be, till time is ended,
"For God, Lake Forest, Victory!"

Alvah W. Doran, '93

The Fight Song

Fight for Lake Forest,
Fight for the Red and the Black;
We'll take the ball
Right through them all;
Nothing can hold us back—
Fight, fight, fight!
We'll stand together,
Loyal and ever true;
We'll fight, fight, fight for Lake Forest,
Fight for old L.F.U. (repeat)
Fight!

Lucius Lobdell, '23

Varsity Song

Lake Forest Varsity, Carry on to victory.
We're behind you never doubt it;
Pile the score up while we shout it!
When every game is won,
College Hall bell will be rung.
Shout! until it echoes, We're all for you
And watch that Red and Black come through!

Words and music by Allen H. Long, '37

V

REGULATIONS

V

REGULATIONS

Academic

Absences

Assembly and Chapel

Attendance at the regular assemblies and chapels is required of all students. A student is permitted to have two unexcused absences each semester. Three unexcused absences in a semester will cause the student to lose one semester hour of credit. If he or she is absent without excuse more than three times in a semester, he will lose two semester hours of credit.

Excused

No absence from class is excused. A student who absents himself from any class for any reason, including illness, for one more than the number of hours credited granted for such class (four times in a three-hour class, or three times in a two-hour class) must appear before a committee of the faculty. This committee shall ascertain the student's ability to make up work missed in the class and shall prescribe the conditions under which the student may be per-

mitted to continue in the class. The committee may drop a student for cutting classes.

Holiday

Students absent from the last class meeting or laboratory exercise in any course preceding a recess or holiday or from the first class meeting or laboratory exercise in any course following a recess or holiday shall pay a fine of two dollars ($2.00) in each course in which the absence occurs.

Recording

Absences are counted directly from and including the first class unless exception is made by the dean.

Vespers

Two or three vesper services are held each semester in Reid Memorial Chapel.

Classification

(Minimum semester standards)*

Credit Hours	Credit Points	Class
24	24	Sophomore
57	57	Junior
88	88	Senior
120	120	graduation

*Exclusive of credit given in physical education.

Grades

Grades	Credit Points*
A — excellent	3
B — good	2
C — fair	1
D — poor (merely passing)	
E — failure or withdrawal from course without permission	
I — incomplete—replaceable by any other grade within one month after close of semester.	
X — a condition which may be raised to no higher than D by re-examination. If not removed, it becomes an E.	
W — withdrawal of student doing passing work with approval of the instructor and the Dean.	

*Fraternity and sorority group scholarship averages are computed by deducting 1 credit point per X, and 2 per E.

Grade Reports

Reports of unsatisfactory grades are sent three times each semester to students by the dean. Reports are not sent to parents until the close of the semester unless the work is well below average.

Scholarship Rules

Regular students, who, as shown by the second or third report of a semester, are passing in fewer than eight hours of their work, are dropped from the rolls. Such students may be re-instated only on recommendation of the dean, and will be considered as on probation for the remainder of the semester.

Any regular student who fails to pass in eight hours of work (exclusive of physical training) in either semester of his freshman year, or in ten hours of work in any semester of his sophomore, junior, or senior years, will be suspended for a semester.

Probation

Scholastic probation is imposed for a semester if a student in his respective year does the following:

Freshman—fails to obtain a C average in six hours in the first semester or in half of his work for the year.

Sophomore—fails during either semester to obtain a C average in two-thirds of his work.

Junior and *Senior*—fails to obtain a C average in three-fourths of his work.

During such a probationary semester, he is denied the privilege of participating in athletics, dramatics, debate, oratory, publications ,and student association committees, and of holding office in social organizations and departmental clubs.

Dormitory Regulations

General Rules

Breakage

Occupants of rooms will be held responsible for all damage to rooms and furnishings beyond normal wear and tear. Fines must be paid by a specified time. The College is not responsible for personal property left in student rooms.

Residents

Students are required to live in college dormitories as long as rooms are available.

Men's Residence Halls, Codes, and Regulations

The College expect men residing in college owned and supervised dormitories to conform to accepted standards of social conduct. Each student has a personal responsibility as a member of the dormitory community to help create the

living conditions in which he would like to live. He should observe with good will the regulations which experience has proven essential.

Annexes and College Hall

Harlan and Blackstone Annexes and College Hall are the dormitories used for freshmen, and all unaffiliated men. These residences are proctored by the following members of the faculty: Blackstone Annex—Donald Pierce; College Hall—Kenneth McAllister; Harlan Annex—Arnold Thomas.

Fraternities

The government of each fraternity is in its own hands. Dormitory rooms are rented through the College. Each fraternity is given its chapter room without cost. The understanding kept is that if all rooms are not occupied the College may place unaffiliated upperclassmen in the vacancies.

Independent Houses

Independent house units elect a council consisting of president, secretary-treasurer, and three other members. The council, with the head proctor, makes up and supervises quiet hours, manages general house affairs, and plans its social programs.

Women's Residence Halls, Codes, and Regulations

Calling Hours

Dates may be entertained in the lounge of each dormitory after 1:30 p.m. until the individual girl's permission for that night. Open house for parents and relatives is on Sunday from 2 p.m. to 5 p.m.

Guests

Women must obtain permission to entertain overnight guests from the head resident.

Permissions

	Mon.	Tues.	Wed.	Thurs.	Fri.	Sat.	Sun.
Seniors	10:10	10:10	11:10	10:10	12:10	1:10	10:10
Juniors	10:10	10:10	11:10	10:10	12:10	1:10	10:10
Sophomores	9:10	9:10	10:10	9:10	12:10	1:10	10:10
Freshmen	8:00	8:00	10:10	8:00	11:10	1:10	10:10

Signing Out

Each girl is required to sign out when she leaves a dormitory giving destination and time of expected return.

Women's Self-Government

Rules for women's dormitories are ad-

ministered by the WSGA and supervised by the dean of women.

Meals

Calvin Durand Commons and Lois Durand Hall

Resident students are required to take their meals at the college dining rooms.

Social Functions

Permission

A social card must be filed with the dean of women at least one week before the date of the event for all social events which are open to students or public other than those members of the organization sponsoring the event. Such a card makes provision for the naming of chaperones also.

Miscellaneous Rules

Addresses of Students

It is important that each student keep the College offices informed of his college and home addresses. Any change in address should be reported promptly to the Office of the Registrar, Institute, and department of publicity.

Advertising

No student or student organization, except the Forester and Stentor publications, may solicit advertising for any purpose without the permission of the office of the college president.

Automobiles

All students who have automobiles must register them at the business office, and agree to abide by campus traffic regulations.

Bills

Semester bills must be paid or arrangements be made for their payment on registration day. If a student fails to meet a payment on the date promised, he is subject to exclusion from classes and is charged with unexcused absences.

Overnight Guests

Men must obtain permission to entertain over-night guests from the business office of the college.

Varsity Letters and Sweaters

Such are awarded in the colors of ruby red and black to members of teams upon vote of the Athletic Board of Control. *No person who has not won the "LF" is allowed to wear it!*

It is improper for a college student to wear a sweater with any insignia upon it other than those of his Alma Mater.

Honors

General Honors

Superior scholarship is recognized at graduation by three awards of general honors, cum laude demanding a 2.2 credit point average, magna cum laude demanding a 2:5 credit point average, and summa cum laude demanding a 2.8 credit point average. These are inscribed on the students' diplomas.

Honor Scholarship

Each year the University of Illinois offers Lake Forest College a graduate scholarship with remittance of fees for a senior in the upper third of his class who has been nominated by the faculty on the basis of scholarship, promise, and

special preparation in a field of study.

Shield Honors

The four students ranking highest in scholarship of the graduating class are honored through the engraving of their names upon a shield which is affixed to a wall of the library. The year 1910 marked the beginning of this practice.

Special Honors

Each graduate, who in his senior year successfully completes to the satisfaction of his instructor a special subject under the Independent study plan, will receive special honor at commencement by having his name and the title of his thesis printed on the program.

Prizes and Awards

Fredericka L. Stahl Memorial Award for Excellence in Science

Judge Haas has established, in memory of Fredericka L. Stahl, his grandmother, an annual award of $50 to be known as "The Fredericka L. Stahl Memorial Award for Excellence in Science". A committee of three faculty members determines the award, and the winner is announced on Commencement day. The senior class student who has the best

record in the field of physical or natural sciences during the four years he or she has attended Lake Forest College receives the prize. Biology, chemistry, mathematics, and physics majors are eligible, and excellence in the science courses forms the primary basis of selection. Attitude, habits of work, and spirit of cooperation are also taken into consideration by the committee.

McPherson Prizes

The Reverend Dr. Simon J. McPherson established a fund for the following annual awards:

Declamation—Twenty-five dollars to the freshman or sophomore winning the contest in declamation, which is held each year in May.

English—A prize of twenty-five dollars may be given annually for work of superior grade in the field of English.

Latin and Modern Languages—A prize of twenty-five dollars may be given annually for general excellence in college Latin, or in one or more of the modern languages.

Oratory—Twenty-five dollars for the junior or senior presenting the best oration in a May contest.

Philosophy—The prize of twenty-five dollars may be given annually for work of superior quality in philosophy.

The Emma O. Haas Memorial for Merit in Scholarship

Judge John F. Haas, Chicago, a graduate of the class of 1900, established at the college in memory of his mother an annual scholarship fund of one hundred dollars, designated as the "Emma O. Haas Memorial Award for Merit in Scholarship". These awards are announced and given on the day of the annual commencement in the following manner after the faculty has determined the highest general scholarship average:

Senior—Fifty dollars to the senior attaining the highest general average in four years at Lake Forest College.

Junior—Twenty-five dollars to the junior attaining the highest average in three years at Lake Forest College.

Sophomore—Twenty-five dollars to the sophomore attaining the highest average in scholarship in two years at Lake Forest College.
